Since 1989 on Yom Hashoah, Holocaust Remembrance Day, B'nai B'rith International has been the North American sponsor of the ***Unto Every Person There Is a Name*** ceremonies. Participants name the Holocaust victims, where and when they were born and died. These observances, created by Yad Vashem in Jerusalem, honor more and more victims each year, as the project collects more names over the years.

We will be gathering in the South wing of the Georgia State Capitol building for an especially moving program of this Holocaust memorial observance. We will be reading names of Holocaust victims, as well as their ages and places of death. This program is being conducted by B'nai B'rith lodges nationwide, and its objective is to recognize that there were actually six million human lives lost, not just a large number of people.

If you would like to attend and/or participate in the reading of the names, please contact Edward Dressler at [dressler@jewishfuneralcare.com](mailto:dressler@jewishfuneralcare.com) or call Eddie at 770-451-4999. More details on the [Atlanta Jewish Connector](#).
