- Through the B’nai B’rith International CSS, we are able to utilize our mission-driven approach to provide trainings, support, and oversight.

- B’nai B’rith buildings were brought together by local B’nai B’rith lodges. Many of these individuals went on to serve on the boards of directors overseeing the buildings.

- The mission of B’nai B’rith Senior Housing is to provide seniors with quality, affordable housing in a secure, supportive community environment, without regard to religion, race or national origin in order to maximize their independent and dignified lifestyle.
