Helping Project H.O.P.E.

From coordinating food delivery in 1997 at a private garage - to a warehouse facility - to its current home at Temple Sinai in Dresher, Project H.O.P.E. continues to grow. In order to accommodate this growth we depend on contributions from corporations and individuals.

You will find a Contribution Form on the other side of this brochure. Please send in your donation. Checks should be made payable to PROJECT H.O.P.E. Thank you. Your cancelled check is your receipt.

Project H.O.P.E. is a community action project whose major goal is the distribution of food packages to poor and elderly Jews during Passover. The ritual foods of Passover are out of reach for far too many Jews in need every year. That’s when Project H.O.P.E. steps in to provide Passover meals to Jewish elderly and those in need in our area. For recipients living alone, the food deliveries also provide a welcome bit of company. This sometimes can be as important as the food itself.

Last year in the Philadelphia area, 700 families received Passover food. Jewish organizations provide the lists of people who need packages. More than 400 volunteers met at Temple Sinai in Dresher to serve as packers and drivers. B’nai B’rith Liberty Region is proud to serve the Jewish community in this capacity.

To all volunteers and donors who make this possible year after year, we send our thanks and best wishes for a healthy and Happy Passover.
