

NONE SHALL BE **AFRAID** ESSAY CONTEST

FIGHTING ANTI-SEMITISM

Scholarship Opportunity For College Students Win Up To \$2,500 Toward Your College Tuition.

Anti-Semitism has become increasingly visible in the digital era. Despite the constraints faced by researchers and Jewish community organizations due to the limited data provided by tech companies, anti-Semitic content can easily be found on all major social media platforms. One study has estimated that more than 10% of all tweets about Jews and Israel were anti-Semitic.*

B'nai B'rith International created the **None Shall Be Afraid** initiative to keep a focus on anti-Semitism and anti-Zionism in our society today. None Shall Be Afraid was inspired by the 1790 letter from George Washington to the congregants of Touro Synagogue in Rhode Island, where he quoted Micah 4:4, "Everyone shall sit in safety under his own vine and fig tree and there shall be none to make him afraid."

We admire and celebrate this early and unequivocal commitment to religious freedom.

Now it's time for the next generation to take its place in combating the world's oldest hatred.
