Hello All~

If anyone has questions, please feel free to call the office ...

856-809-9111.

Let me know if there's anything I could possibly help you with ...

And ... this is definitely the time to think about who you would choose to be your "buddy" here in the building. Your "buddy" is someone whom you speak with pretty regularly and who you have daily contact with.

Please read this information sent from the White House.

Even the Vice-President showed it on the news at noon.

15 DAYS TO SLOW THE SPREAD

Prayers for a good evening ...

***** Will report back tomorrow *****

Hi Everyone ... I know how frustrating these days have been! Know that everyone in the world is frustrated and I am looking forward to creating an all-day bash that I AM GOING TO CATER MYSELF! Know that you can call the office at any time if you need to vent OR get some things off your chest. YOU KNOW I AM A GOOD LISTENER!!! AND I KNOW THAT OUR PRAYERS WILL BE ANSWERED ONE OF THESE DAYS!

HANG IN THERE!

Stay strong, because things will get better. It might be stormy now, but it can't rain forever.
