

We, the kids, can be anything we want to be,
Because we can do anything we put our minds to.
Remember that, it's key.

When I grow up I will be the best ballerina around,
Ballerina Earl.

I will spin,
I will glide,

I will swirl,
I will twirl,

Wearing the shiniest crown.

I am Mateo, and I have a big goal-
To play basketball with the NBA.

In recess I step onto the blacktop and the whole
crowd goes wild, cheering they say,
"Mateo's gonna be a star one day!"

Sayran, Maya and I, we have a dream.
We'll be the best superhero team.
One day you'll see us up in the sky,
Helping all the people we pass by.
The friends of a feather
Who fly together.

Look out for us we're going even higher.
Twin astronauts, Jack and I'll travel farther
Than any other.

So, look out, past the Moon,
Past Jupiter, past the Sun,
Look out, we'll be in a new place soon,

Having lots of fun!

I need to shout-I can't be quiet!
When I grow up I will be a pilot.

I'll serve my country,
And make my parents proud.
One day you'll see me up there in the clouds.

Picasso, Van Gogh, Monet and Davinci
Would have been really suprised to see me
And all my great paintings, we'd be such great friends
And when I grow up, I'll be just like them.

My name is Kimmy and I'm doing something cool.
When my brothers break their toys
I fix them with my tools.
I can't fix everything just yet,
But when I grow up, I'll have the best tool set.

I'll be able to fix this and fix that,
And when I'm done I'll say "You're welcome" with a tip of my hat.

Don't hesitate,
Make your dream your fate!

It doesn't matter
What you look like,
Where you're from,
Or who you are.

March to the beat of your own drum.

Believe in yourself,
And you'll go far.
You'll be admired
Everywhere you are.

Sometimes it might get hard,
But that's how you know you're trying.
So don't give up,

Keep trying, keep trying!
